AYNH0 GARDENING CLUB

There is a change to our scheduled meeting on Wednesday 11 August. Victor Scott will now be giving an illustrated talk on 'Springtime in the Cape'. This is the talk which he was going to give in January, but was prevented from doing so by the snow. We hope to include the talk on Bees, which was planned for August, in next year's programme.

Village Flower and Produce Show - Saturday 4 September

The programme with all the classes available in the show is included with this newsletter. Entrants do not have to be members of the Gardening Club. This is a village event and any resident of Aynho is entitled to enter and we hope that many of you will. We are particularly keen to get children involved, so please look at the children's classes. In order to encourage younger participants we are holding a free 'Hands on fun' session on **Thursday 19 August** from 10.00 -12.00 in the Village Hall. Liz Mann has very kindly agreed to give children (aged 5 and over) the chance to enjoy a fun morning together, drawing, painting and sticking paper etc. The session will be based on ideas to do with flowers, fruit and things from the garden. It is intended that the results will be exhibited at the Village Show. Parents are very welcome to stay during the two-hour session and lend a hand if they wish.

For any questions about the show or the children's session please contact Anthea Bazin on 810629

AYNH0 HISTORY SOCIETY

A reminder that at our meeting on Wednesday July 28th we will be showing "Aynho Scenes". These have been taken from a number of cine films donated by the family of Bill Land. They show scenes of the village and its residents from times gone by. No meeting in August.

For further information about AHS please contact: Brian Reynolds 811007 or Peter Cole 811261.

WRITERS GROUP

There are still some seats available for the outing to Winchester Cathedral on Saturday August 14th to visit The Jane Austin Story. Entrance to the Cathedral & Exhibition £5.50 and travel cost £12.50 p.p.

We leave Aynho at 9.30am and arrive home no later than 6.00pm. If you would like to join us on this trip please contact Brian Reynolds on 01869 811007.

PHOTOGRAPHICAL SOCIETY

Members enjoyed two events last month. The exclusive photo-shoot at Broughton Castle with an introduction and tour given personally by Lord and Lady Seye & Sele. Excellent weather and cream teas to round off the day. Some of the photo-shoot can be seen on www.adandd.co.uk

The second event was a presentation in a light, amusing and informative style by experienced photographer John Credland APAG.

Looking ahead on August 1st another exclusive photo-shoot for members at the Ball Colgrave nursery in Adderbury. Then at 7.30pm August 4th at the Cartwright Hotel, the Chairman of the Society will give a presentation entitled "A visit to Istanbul with a rangefinder camera" followed by "a brief introduction to Lightroom" All welcome.

PARISH COUNCIL

APC would like to remind residents that the children's play area is not to be used for ball games due to the possibility of damage to the neighbouring properties. Please use the sports field instead.

As the weather improves and we all get to spend more time outdoors the visual state of the village becomes a pressing issue. We would appreciate it if we can all take a role in ensuring Aynho remains a beautiful village we can be proud of. We can all do our bit by picking up any litter we see, ensuring our refuse bins are stored appropriately when it is not bin day and by taking down any notices we put up when they cease to be relevant.

APC would like to thank everyone for all their efforts in this matter.

Date of next meeting Monday 9th August.

The clerk can be contacted via the e-mail address aynhopc@googlegmail.com; on 07887548774 or at No9 Roundtown (cottage on left within Friars Well).

RUNNING TRACK

There are about 200 tonnes of topsoil available from the dug out track on the sportsfield if anybody knows anyone who may be interested in having all or some of it. Please contact Roger Bradford on 01295 810295 for more details of how to access it.

Also, if anyone wants to help finish the construction of the track we still need some areas outside the wood edging filled in with turf and any large stones on the outside of the wood edging removed so the grass cutter can mow up to it. If you have a spare half hour and would like to help please feel free to do so in your own time. We cannot progress any further with the track and car park until we have removed the large heap of soil. When we do we will be putting out an SOS out for help again.

Many thanks.
